

2018 WSU Master Gardener Conference: East Meets West ~ Sharing Our Roots

Wenatchee Convention Center

September 26-29, 2018

Registration opens online April 1! www.sharingourroots.org

The website is nearly complete. All speakers, classes, tours, and the conference schedule are now posted. There is also a printable sessions document and a tour descriptions guide. These will be a helpful reference for online registration.

Room rates have been negotiated. \$109 at the Red Lion (2 miles away) and \$114 at the Coast Hotel (next to the Convention Center).

4,000 postcards have been mailed to WSU Master Gardeners statewide. This was made possible by a TPA (Tourism Promotion Area) grant from the City of Wenatchee.

Invitations have been sent to each county with information and applications for Marketplace.

We have raised \$8,500 in cash sponsorships. Our procurement team is now focusing on Silver and Gold sponsors, as well as vendors and silent auction donors.

Our publicity team is gearing up to heavily promote the conference through social media, press releases, interviews and other opportunities.

Photo contest guidelines are posted on the conference website. We will begin accepting entries June 1.
